TITAN AVIATION GROUP AND INTERFLIGHTGLOBAL CORPORATION SIGN A
MEMORANDUM OF UNDERSTANDING EXPANDING THEIR
AVIATION&AEROSPACE CONSULTING, ADVISORY AND BROKERAGE
SERVICES IN THE MIDDLE EAST AND THE AMERICAS

Dubai based Titan Aviation Group is a UAE holding company owned and led by Sakeer Sheik and a leading provider of airline and general aviation consultancy, advisory, training, aircraft management, HR and training services

Miami based InterFlight Global Corporation is a USA holding company owned and led by Oscar S. Garcia and a leading provider of aviation and aerospace consultancy, advisory and business development and brokerage services.

This joint venture provides clients with immediate expertise and local knowledge in their respective direct areas of influence; Titan in the Middle East, Gulf and India and IFG in North, Central-Caribbean and South America.

Both Sakeer Sheik and Oscar Garcia have cooperated in the past in several projects and the companies' share impeccable business practices-core values and exemplary service and work-product quality. Sakeer and Oscar are pilots and were Embry-Riddle Aerospace University MBA classmates cooperating professionally since their graduation in 2002.

Oscar Garcia stated "I am delighted to join forces and expertise with Titan and Sakeer. IFG's clients in the Americas will immediately benefit from a "no learning curve" direct access to our distinctive services in the Middle East and India. All of us at IFG are confident in Titan's professional and capable team. Also, our joining forces decisively align two of the most important and fast growing mega aerospace and aviation hub cities, Miami and Dubai."
